See our Factory summer camp offerings here:**

Registration Information

Registration Process

- Register and pay online at kidsenses.org/camps.
- Register your child for the camp that is appropriate for the grade your child will enter in **Summer/Fall 2026**.
- Camp fees must be paid at the time of registration.
- All campers must be potty trained.

**Spaces are limited.
Register by April 24 and
get your discount!**

Summer Camp Fees

- **Full Day Camps**
- \$170 Members // \$190 Non-Members
- **Half Day Camps**
- \$100 Members // \$120 Non-Members
- **Register before April 24 and receive an additional \$20 off!**

- Cancellations made two (2) weeks prior to the start of camp are eligible for a refund, minus a \$20 service fee per child per camp. Cancellations not made within two (2) weeks will not receive a refund.
- In case of insufficient registration, KidSenses reserves the right to cancel the camp one week prior to the start of a camp session. In the event of a camp's cancellation, participants will receive a full refund.

Rising Grades K - 2

Masterpiece Makers

June 8-12 // Full Day Camp

This summer, let your child's imagination run wild! Through painting, drawing, sculpting, and more, campers will explore different genres of art while also exploring color theory, shape, and texture. Whether your child is an experienced young artist or discovering the magic of art for the first time, this is the perfect opportunity to have fun, get messy, and create beautiful works of art that will be highlighted in a Masterpiece Makers Art Gallery Celebration at the end of the week.

Critter Quest

June 22-26 // Half Day Camp (9- 12:30)

Calling all wildlife lovers! Explore the incredible world of animals in this hands-on, action-packed camp. From the tallest giraffes to the tiniest frogs, we'll dive into the fascinating lives of creatures big and small. Through live animal encounters, exciting games, and animal-themed activities, campers will discover how animals live, what they eat, and where they call home. With a different animal highlight each day, every session is sure to be *wild!*

Rising Grades 3 - 5

Starlight STEAM

June 15-19 // Full Day Camp

Explore the planets, stars, and galaxies in one of the most exciting ways possible without leaving earth! Participants will experience both high tech and creative space exploration in this action packed camp! From planetarium shows and virtual reality space exploration to hands on activities like DIY model rocket building and outer space habitat creation, there is something for any outer space enthusiast.

The Science of Magic

June 22-26 // Half-Day Camp (12:30-4)

Is it magic, or is it science? It's BOTH! In this sensory defying camp, participants will explore the wonderful world of science through illusion and slight of hand. Water will turn to ice before their eyes, balloons will become unpopable, and marker caps will seem to defy physics - and it is all powered by science! Campers will learn and master the "secrets" of all these illusions and more.

Camp Information

Camp Guidelines

- **KidSenses reserves the right to ask a camper not to return due to disruptive or harmful behavior. If a camper is asked to leave, camp fees will be forfeited and no refund will be issued.**

Supervision

- **KidSenses offers an educator-to-child ratio of 1:8**
- **The maximum number of children allowed in each summer camp is 16, with a minimum of 3.**
- **All camp activities take place at KidSenses Children's Museum (172 N. Main St.) unless otherwise noted.**

Food

- **Snacks will be provided each day during camp**
- **Full day camp participants are required to bring a non-preishable lunch each day of camp.**
- **Please accurately complete the health information form and note any allergies.**

Scholarships

- **A limited number of scholarships are available for students in rising K-5 who demonstrate financial need. Visit [Kidsenses.org/camps](https://kidsenses.org/camps) to apply. Scholarship Deadline May 22, 2026.**
