Registration Information

Registration Process

- Register and pay online at kidsenses.org/camps.
- Register your child for the camp that is appropriate for the grade your child will enter in Summer/Fall 2024.
- Camp fees must be paid at the time of registration.
- All campers must be potty trained.

**Spaces are limited.
Register by April 6 and
get your discount!**

Summer Camp Fees

- **Full Day Camps**
- \$170 Members // \$190 Non-Members
- **Half Day Camps**
- \$100 Members // \$120 Non-Members
- **Register before April 6 and receive an additional \$20 off!**

- Cancellations made two (2) weeks prior to the start of camp are eligible for a refund, minus a \$20 service fee per child per camp. Cancellations not made within two (2) weeks will not receive a refund.
- In case of insufficient registration, KidSenses reserves the right to cancel the camp one week prior to the start of a camp session. In the event of a camp's cancellation, participants will receive a full refund.

Rising Grades K - 2

Messy Mad Science

June 3-7 // Full Day Camp

It's alive...IT'S ALIVE – It's Mad Science! During this exciting week, campers will become mad laboratory technicians in the messiest, craziest and funnest ways possible. We will make slime, oobleck, gak, goop and more!

Amazingly Artful

June 17-21 // Half Day Camp (9- 12:30)

During this artistically, imaginative week, campers will explore the wonderful world of art! This artistic exploration will allow your camper to flex their creative minds, while learning about different types of art and how it is created.

Animal Adventures

June 24-28 // Full Day Camp

What is hibernation? How do animals communicate? What is camouflage? During this camp we will explore the secrets of the animal kingdom and some of its coolest inhabitants! Campers will get to meet furry and feathered friends while creating lots of animal themed crafts and participating in animal themed activities.

Rising Grades 3 - 5

Fantastic Fossil Frenzy

June 10-14 // Full Day Camp

Do you ever wonder what the earth was like millions of years ago? Who and what lived there, and how do we know? Dive into the past with this exciting paleo-palooza to find out! Campers will dig for real fossils, create dinosaur and shark themed crafts and learning “lodes” about our prehistoric past!

Incredible Inventions

June 17-21 // Half Day Camp (12:30-4:30)

Imagination and a pile of junk; what more could a curious kid ask for? Join us for a week of invention exploration where campers will imagine, create and build some of today’s most useful inventions, while adding their own imaginative flare!

Appalachian Adventures

July 8-12 // Full Day Camp

Did you know the Appalachian mountain range is older than dinosaurs, the oceans, and even trees? Campers will explore the things that make Appalachia an amazing place to call home. Campers will experience rich folklore, local flora and fauna, quilting, pottery, and even a good ol’ fashioned hootenanny during this exciting camp!

Camp Information

Camp Guidelines

- **KidSenses reserves the right to ask a camper not to return due to behavioral problems. If a camper is asked to leave, camp fees will be forfeited and no refund will be issued.**

Supervision

- **KidSenses offers an educator-to-child ratio of 1:8**
- **The maximum number of children allowed in each summer camp is 16, with a minimum of 3.**
- **All camp activities take place at KidSenses (172 N. Main St.) and the Woodrow Jones Community Hall (146 N. Main St.) unless otherwise noted.**

Food

- **Snacks will be provided each day during camp**
- **Full day camp participants are required to bring a non-preishable lunch each day of camp.**
- **Please accurately complete the health information form and note any allergies.**

Scholarships

- **A limited number of scholarships are available for students in rising K-5 who demonstrate financial need. Visit [Kidsenses.org/camps](https://kidsenses.org/camps) to apply. Scholarship Deadline May 18, 2024.**
